Peppers Pier Resort, Hervey Bay (Conference Venue)

Located opposite the famous pier on Urangan Beach, Peppers Pier Resort provides a unique vantage point from which to enjoy all the natural wonders of Hervey Bay. Just as the Fraser Coast has been shaped by nature, Peppers Pier Resort takes its design cues from the form of ocean waves. The 129 self-contained one, two and three bedroom suites with private balconies offer uninterrupted views of the Great Sandy Strait and Fraser Island. And inside, natural materials – stone floors and timber furnishings – complement the natural beauty (alongside more modern necessities like your own plasma TV).
